O GOD of our Salvation, the hope of all the ends of the Earth, and of them that remain in the broad Sea, We have seen Thy Works in the great Waters, Thy Wonders in the Deep: and, with hearts full of holy Joy, we offer up to Thee our praises and thanksgivings, for that Thou hast endued the Officers and Mariners of our Fleet with such Wisdom and Courage, and hast blessed them with such success, that, with far inferior strength and numbers, they have fought and have overpowered a mighty host, and disconcerted the Counsels of their Enemies.

Continue, we beseech Thee, O Lord, Thy goodness towards us, by which we are preserved: and so rule the raging of the sea, and defend and protect those, who go down to it in ships for our Defence, that the Haughty may be still

still more humbled, and the Peace of our Borders effectually secured against either the Force, or the Stratagems of Confederate Enemies, who have appointed our Land unto themselves for a Possession, and, in their proud imaginations, seized upon it for a Prey. But above all, O Lord, give us hearts to remember, in whom standeth our help: that, in gratitude for Thy manifold mercies, so wonderfully multiplied upon us in various periods of our history, and renewed in this last and in other recent instances, we may so faithfully serve Thee, that Thou mayest take delight in our Prosperity; and that all the Dispensations of Thy Providence, in this world, may lead us to eternal Happiness in the next, through Jesus Christ our Lord. *Amen.*
